Sita	Sterling Silver, Brass & SS w/gold plated jewelry made in Bali. Handcrafted, combining both modern and traditional techniques to bring you objects of beauty.
Sonoma Art Works	 Created in their studio located in scenic Sonoma Valley - the heart of northern California's wine country, the jewelry is designed by the artist Cheryl Sirkus whose original designs are then handcast in sterling silver and 14k vermeil. Her pieces capture the feeling of elegance and femininity in a very understated way.
Stone Palace	 Sterling Silver and gemstones - Order or Cash and Carry available - Featuring Harmony Mundi Jewelry. <i>Also a large selection of "Made in the USA" SS post earrings</i>
The Good Collective (TOMAS & Emily)	Minted in 2016, we are the designers, makers and purveyors of Tomas Sterling Silver jewelry. Our original designs are produced in our studio and through a network of skilled craftsmen. We are committed to creating beautiful products, reducing our environmental impact and enjoying what we do.
Tiger Mountain	Each piece of Tiger Mountain Jewelry is made by hand using traditional techniques that have been passed down through generations. In a world where so many things are made by machines they take pride that in a small way they help keep this tradition alive. Tiger Mountain features natural semi-precious stones in over 500 unique designs.
Ti Sento	Goldsmiths Who Love Silver - Attention to detail, stones set by hand, high-quality materials are at the core of each and every jewellery piece. Ti Sento reshaped the way we look at jewelry. Jewelry is there to be enjoyed, to be worn according to your own rules and style. TI SENTO designs are immediately recognizable by their mix of classic shapes with modern twists and feminine energy.
Zarah	Zarah is creating refreshingly creative jewelry and home decor for people who cherish art. Offering three distinct lines - <i>iconocast, zarlite & Enamel on Sterling Silver</i>
Zealandia Designs	Jenny Byrne has woven her initial love of the natural materials found on the beaches and rivers of the world, and a fascination with spiritual and mythological art, into an unusual line of silver, gold and fossilized ivory jewelry
